Light Kits

100 and 200 watt light kits

The 100 watt light kit comes complete with (2) 50 watt light fixtures.
The 200 watt light kits complete with (4) 50 watt light fixtures.

They come standard with:

- A transformer(s) with photo cell and timer.
- 15 meter (49.2') power cable and mounting hardware.

These lights require 120 V power at the shore line.

They can be upgraded with coloured bulbs that are available in Amber, Blue, Red and Green.

Additional power cable is also available in 15 meter (49.2') increments up to 45 meters (147.6').

500 and 1000 watt light kits

The 500 watt light kit comes complete with (2) 250 watt light fixtures.
The 1000 watt light kits complete with (4) 250 watt light fixtures.

They come standard with:

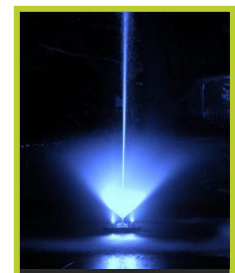

- A power control centre with timer.
- 15 meter (49.2') power cable and mounting hardware.

These lights require 120 V power at the shore line.

Coloured lenses are available in Amber, Blue, Red and Green.

Additional power cable is also available in 15 meter (49.2') increments up to 180 meters (590.5').

2 Year Manufacturers Warranty!
